To Whom It May Concern

I am writing to strongly endorse Michael Dobersen for the position of Arapahoe County Coroner. Dr. Dobersen acted as an expert witness for one of my clients, who was an Arapahoe County resident, in a Larimer County criminal case. During the pendency of our case, I found Dr. Dobersen extremely knowledgeable in his field, interested in the fair administration of justice and a man whose integrity reached beyond politics to embrace fairness and justice.

I cannot think of a more qualified and fairminded person to be the Coroner for Arapahoe County. The citizens of Arapahoe County would be well served by his election.

Sincerely,

David A. Mestas
